NEW PLANTS

Are you interested in worthwhile new plants? Without obligation we will tell you about new additions to our plant list and how they can be used to best advantage. Many of them are most interesting.

SPECIMEN PLANTS

Prices in this list are based on our regular standard, first grade stock. Individual plants selected will be charged as to their value.

Information About Plants or Their Use

If there is anything that we can tell you about our plants please write or phone us. Information will be cheerfully given without obligation, and correspondence will be promptly answered. We have local and long distance phone service.

LANDSCAPE SERVICE

We offer the services of our landscape department to those interested in beautifying any type of property. Whether your problem be a home ground, school, other public buildings or commercial property, we can probably help you. Our service is complete and we will execute a development from drawing the first plans through to a finished job.

We suggest that you ask to see the following fine Landscape Plants, some of them new, others wonderful older varieties that have not been used nearly enough—

Azalea Kaempferi Hybrids

Azalea Lady Lilac

Berberis Candidula

Berberis Julianae

Berberis Verruculosa

Cotoneaster Purpusilla

Chinese Holly

Globe Juniper

English Yew

Buddleia Ile de France

Cydonia Japonica Nivalis

Viburnum Theiferum

Flowering Crabs

Large Flowering Clematis

SOUTHSIDE NURSERIES

BROAD-LEAVED EVERGREENS

ABELIA GRANDIFLORA. One of the most popular shrubs for foundation or group planting. Also makes a splendid hedge. Flush-pink flowers from June to November.

The following sizes are specimen plants, dug with a ball and burlapped:

15 to 18 inches.....	\$.50 each
18 to 24 inches.....	.75 each
2 to 3 feet.....	1.00 each

AZALEAS. A popular, colorful group of evergreen shrubs. Their habit of growth and wide range of color make them most useful in the home landscape. Should have well-drained, loamy, acid soil.

Azalea Flame (Kurume type). One of the best tall growing azaleas for landscape use. Flowers madder-red, suffused coppery-orange.

10-inch spread.....	\$1.25 each
12-inch spread.....	1.75 each
15-inch spread.....	2.50 each

All heavy specimens.

Azalea Hinodegiri. The most popular of the low-growing evergreen azaleas. Large, bright scarlet flowers.

8 to 10-inch spread.....	\$1.25 each
10 to 12-inch spread.....	1.50 each

Azalea Pink Pearl. Flowers beautiful apple-blossom-pink, hose in hose type. Ultimate height, 4 to 6 feet.

12-inch spread.....	\$2.50 each
---------------------	-------------

Azalea Coral Bells. Flowers deep coral, hose in hose type.

12-inch spread.....	\$2.00 each
15-inch spread.....	2.50 each

Azalea Salmon Beauty. Compact grower, flowers bright salmon.

12-inch spread.....	\$2.50 each
---------------------	-------------

Azalea Lady Lilac. Single flowers, beautiful lilac in color, and very large.

12 to 15-inch spread.....	\$2.00 each
---------------------------	-------------

Azalea Ledifolia Alba. The best large white, landscape type.

8 to 10-inch spread.....	\$1.25 each
10 to 12-inch spread.....	1.50 each
12 to 15-inch spread.....	2.00 each

SOUTHSIDE NURSERIES

Azalea Kaempferi Hybrids. A new group of evergreen varieties, large flowered and hardy. Unusual coloring and vigor of growth makes them very fine for landscape use. The following varieties we consider the best available.

Carmen—Carine-rose.
 Othello—Brilliant orange-red.
 Atlanta—Large purple.

8 to 10 inches.....	\$1.25 each
10 to 12 inches.....	1.50 each
Heavy specimens	2.50 each

BERBERIS. The evergreen barberries are among the most useful of the newer shrubs for landscape work. Their habit of growth and beautiful and unusual foliage increases the character and interest of any planting. All plants offered are heavy specimens.

WINTERGREEN BARBERRY (*Berberis Julianae*). One of the finest broad-leaved evergreens. Ideal for hedges, foundation planting, or specimen use.

12 to 15 inches.....	\$1.00 each
15 to 18 inches.....	1.50 each
18 to 24 inches.....	2.00 each

Larger sizes on request.

BERBERIS CANDIDULA. Dwarf evergreen variety with shiny, narrow leaves.

8 to 10 inches.....	\$1.00 each
10 to 12 inches.....	1.25 each

BERBERIS VERRUCULOSA. Compact variety with very small leaves. One of the most interesting plants in the nursery. Just the thing for the rock garden.

6 to 8 inches.....	\$.75 each
8 to 10 inches.....	1.25 each
10 to 12 inches.....	1.50 each

BOXWOOD

Bush Box (*Buxus Sempervirens*). Our plants are well grown, sheared specimens.

12 to 15 inches.....	\$1.00 each
15 to 18 inches.....	1.50 each
18 to 24 inches.....	2.50 each
24 to 30 inches.....	3.00 each
30 to 36 inches.....	4.50 each

Dwarf or Old English Boxwood (*Buxus Suffruticosa*).

4 to 6 inches.....	\$.20 each
6 to 8 inches.....	.30 each
8 to 10 inches.....	.75 each
10 to 12 inches.....	1.00 each

Other sizes priced on request.

COTONEASTERS. Plant all Cotoneasters in well-drained, sunny locations.

Cotoneaster Franchetti. Evergreen, upright growing variety with spreading branches. Stems covered with bright orange berries.

4 to 5 foot specimens.....	\$3.50 each
----------------------------	-------------

Cotoneaster Purpusilla. Low growing shrub with spreading branches. Small boxwood-like leaves and red berries. One of the better new plants.

15 to 18 inches.....	\$1.25 each
18 to 24 inches.....	1.50 each
24 to 30 inches.....	2.00 each

Cotoneaster Salicifolia Flocosa. An upright, but graceful type, with bronze-green foliage and clustered red berries.

18 to 24 inches.....	\$1.50 each
2 to 3 feet.....	2.00 each

Eleagnus Pungens Reflexa. A beautiful, rugged, broad-leaved evergreen shrub. Underside of leaves silver grey. Creamy-white, fragrant flowers in late summer.

18 to 24 inches.....	\$1.25 each
2 to 3 feet.....	2.00 each
3 to 4 feet.....	2.50 each
4 to 5 feet.....	3.00 each

HOLLIES—Ilex

American Holly (Ilex Opaca). Our native evergreen holly.

3 to 4 feet.....	\$2.50 each
4 to 5 feet.....	3.50 each
5 to 6 feet.....	5.00 each

Chinese Holly (Ilex Cornuta Burfordi). A handsome plant with dark green, shiny leaves, berries dark-red. This is one of the finest evergreen trees. Stock limited.

18 to 24 inches.....	\$2.00 each
2 to 3 feet.....	3.50 each
3 to 4 feet.....	4.50 each

Japanese Holly (Ilex Crenata Rotundifolia), A fine foundation or low hedge plant. Its small boxwood-like leaves and compact habit of growth make it a most useful landscape plant.

10 to 12 inches, extra heavy.....	\$1.00 each
12 to 15 inches extra heavy.....	1.25 each
Larger sizes priced on request.	

LUCIDUM

Ligustrum Lucidum Macrophyllum. This is, we believe to be, the best variety of the well-known Lucidum. It is more hardy than the other kinds and its large dark-green, glossy leaves make it an outstandingly handsome plant. All plants offered are heavy sheared specimens.

18 to 24 inches.....	\$1.25 each
24 to 30 inches.....	1.75 each
30 to 36 inches.....	2.50 each
3 to 4 feet.....	3.00 each

Nandina Domestica (Heavenly Bamboo). A handsome evergreen shrub with light green foliage that turns red in Autumn. The leaves and large clusters of bright red berries remain throughout the Winter.

18 to 24 inches.....	\$1.00 each
24 to 30 inches.....	1.50 each
30 to 36 inches.....	2.50 each

Photina Serrulata. Large shiny foliage in tones of green, orange, and bronze. New growth and winter color very attractive.

2 to 3 feet.....	\$2.50 each
3 to 4 feet.....	3.50 each

PYRACANTHA

Pyracantha Lalandi (Evergreen Firethorn). A large, loose-growing shrub with clusters of white flowers in the spring, followed by a wealth of orange-colored berries. All plants offered are pot-grown and are guaranteed to be berry-bearing.

18 to 24 inches.....	\$1.00 each
2 to 3 feet.....	1.25 each
3 to 4 feet.....	2.00 each....

Pyracantha Yunnanensis Gibbsi. Leaves darker green than lalandi, and more compact in growth. Berries coral-red.

18 to 24 inches.....	\$1.00 each
24 to 30 inches.....	2.00 each
30 to 36 inches.....	2.50 each

FRUIT TREES

Extra nice trees grown for the home orchard.
Smaller trees for commercial planting priced
on request.

APPLE TREES. Varieties: Early Harvest, Red June, Yellow Delicious, Red Delicious, Stayman Winesap, Bonum. 75c each.

CRAB APPLES. Variety: Hyslop. \$1.00 each.

25c each—\$2.50 per dozen

EVERGREENS

ARBORVITAE

Globe Arborvitae (*Thuja Globosa*). The perfect globe-shaped evergreen. Fine for foundation planting and formal effects. Slow of growth and retains shape without shearing.

15 to 18 inches.....	\$1.50 each
18 to 24 inches.....	2.00 each
24 to 30 inches.....	2.50 each
30 to 36 inches.....	3.00 each
3 to 4 feet.....	4.00 each

Pyramidal Arborvitae. One of the best narrow, columnar evergreens. Its deep green foliage remains through the winter. Our plants are extra nice.

2 to 3 feet.....	\$2.00 each
3 to 4 feet.....	3.00 each
4 to 5 feet.....	4.00 each

George Peabody Arborvitae. A pyramidal American type with deep golden foliage. Our stock is made up of beautiful specimen plants.

6 to 8 feet.....	\$ 7.50 each
8 to 10 feet.....	10.00 each

Heavier specimens priced on request.

Verveaneana Arborvitae. A compact pyramidal arborvitae with graceful bronzy-green foliage.

2 to 3 feet.....	\$1.50 each
6 to 7 feet.....	5.00 each
7 to 8 feet.....	8.00 each
8 to 10 feet.....	10.00 each

Larger specimens priced on request.

BIOTAS

Berkman's Golden Arborvitae (*Biota Aurea Nana*). The best dwarf golden evergreen. Useful for urns, formal effects, and cemetery planting.

15 to 18 inches.....	\$1.50 each
18 to 21 inches.....	2.00 each
24 to 30 inches.....	3.00 each
30 to 36 inches.....	4.00 each

Goldspire Biota (*Biota Aurea Conspicua*). A tall pyramidal plant with intense golden foliage.

3 to 4 feet.....	\$3.00 each
4 to 5 feet.....	3.75 each

Larger sizes priced on request.

CYPRESS

Blue Lawson Cypress. A compact, pyramidal evergreen with attractive, flat, blue-green foliage.

30 to 36 inches.....	\$3.00 each
3 to 4 feet.....	4.00 each

All plants offered are specimens.

Hemlock (*Tsuga Canadensis*). A graceful, dark-green, upright evergreen, with spreading and somewhat drooping branches. One of the best plants for either specimen or hedge use. A wonderful garden background or enclosure. Our plants are unusually nice.

2 to 3 feet.....	\$1.75 each
3 to 4 feet.....	3.00 each
4 to 5 feet.....	4.00 each
5 to 6 feet.....	5.00 each
6 to 7 feet.....	7.00 each

Larger sizes priced on request.

JUNIPERS

Ashford Juniper. A handsome, upright, column shaped juniper.

6 to 7 feet.....	\$6.00 each
------------------	-------------

Chinese Cone Juniper (*Juniperus Chinensis Veridifolia*). Compact, grey-green and cone-shaped. One of the better new evergreens.

2 to 3 feet.....	\$2.50 each
3 to 4 feet.....	3.00 each
4 to 5 feet.....	4.00 each

Andorra Juniper (*Juniperus Dupressa Plumosa*). A new very hardy spreading juniper. Foliage an attractive shade of purple in winter.

18 to 24 inches.....	\$2.00 each
2 to 3 feet.....	3.00 each

Column Juniper. Our most picturesque accent evergreen. Narrow and very tall.

7 to 8 feet.....	\$6.00 each
8 to 9 feet.....	7.50 each
9 to 10 feet.....	9.00 each

Globe Juniper (*Juniperus Chinensis Nana*). New and very unusual. The slowest growing of the junipers. These plants are our own introduction and in many ways are superior to other Chinese types.

12 to 15 inches.....	\$4.00 each
18 to 21 inches.....	5.00 each

Kiyona Juniper. Tall, compact, dense silver foliage. Its stovepipe shape always attracts attention.

24 to 30 inches.....	\$1.50 each
30 to 36 inches.....	2.00 each
7 to 8 feet.....	6.50 each
8 to 10 feet.....	8.00 each

Japanese Juniper (*Juniperus Sylvestris Femina*). A broad, upright juniper with beautiful silver and green tufted needles.

30 to 36 inches.....	\$3.00 each
----------------------	-------------

Meyer Juniper (*Juniperus Squamata Meyeri*). Probably the most outstanding new evergreen. A slow-growing plant of irregular growth and shining blue foliage. An ideal plant for many landscape uses. Our stock is extra nice.

15 to 18 inches.....	\$1.50 each
18 to 24 inches.....	2.00 each
24 to 30 inches.....	3.00 each
3 to 4 feet.....	5.00 each

Pyramidal Juniper (*Juniperus Virginiana Pyramidalia*). Somewhat similar to our native red cedar, but of better form. Holds foliage to the ground.

5 to 6 feet.....	\$4.00 each
6 to 7 feet.....	5.00 each
7 to 8 feet.....	6.00 each
8 to 9 feet.....	7.50 each

Blue Virginia Juniper (*Juniperus Virginiana Glauca*). The best of the larger pyramidal evergreens. Branches spreading and graceful, foliage an attractive light blue. Splendid for many landscape effects. All plants offered are sheared specimens.

4 to 5 feet.....	\$3.50 each
5 to 6 feet.....	5.00 each
6 to 7 feet.....	7.00 each
7 to 8 feet.....	9.00 each

Larger sizes priced on request.

Pfitzer Juniper (*Juniperus Pfitzeriana*). The most popular and useful spreading evergreen. The plume-like foliage is grey-green in color and attractive throughout the year. All plants offered are transplanted, sheared specimens, and should not be confused with less carefully grown stock.

15 to 18 inches.....	\$2.00 each
18 to 24 inches.....	2.50 each
24 to 30 inches.....	3.00 each
30 to 36 inches.....	3.75 each

Stricta Juniper. Dwarf, pyramidal in shape, dense foliage greyish-green in color.

30 to 36 inches.....	\$3.00 each
36 to 42 inches.....	4.00 each

Tamerix Juniper (*J. Tamarscifolia*). Prostrate in growth, very hardy, foliage good bright-green.

15 to 18 inches.....	\$1.50 each
18 to 24 inches.....	2.00 each

Japan Golden Cypress (*Chamecyparis Plumosa Aurea*). Gold-tipped foliage and graceful habit. Rather rapid in growth. Our plants are all sheared specimens.

18 to 24 inches.....	\$1.25 each
24 to 30 inches.....	2.00 each
30 to 36 inches.....	2.50 each

Japan Silver Cypress (*Chamecyparis Squarrosa Veitchii*). A striking variety with dense, blue-green foliage.

18 to 24 inches.....	\$1.25 each
24 to 30 inches.....	2.00 each

Large specimens priced on request.

SPRUCE—PICEA

Black Hills Spruce. Similar to the Norway Spruce, but more compact and of slower growth.

4 to 5 feet.....	\$4.00 each
5 to 6 feet.....	5.00 each
6 to 7 feet.....	7.50 each

Colorado Spruce. A popular, compact, pyramidal spruce.

3 to 4 feet.....	\$3.00 each
4 to 5 feet.....	4.50 each
5 to 6 feet.....	6.00 each

Koster Blue Spruce. The finest spruce grown. A shapely tree with heavy steel-blue foliage. Beautiful for lawn specimens.

2 to 3 feet.....	\$ 7.00 each
3 to 4 feet.....	9.00 each
4 to 5 feet.....	14.00 each
5 to 6 feet.....	18.00 each

Norway Spruce. A fine symmetrical tree. The stout, spreading branches are slightly weeping. Dark-green in color.

4 to 5 feet.....	\$3.00 each
5 to 6 feet.....	4.50 each
6 to 7 feet.....	6.00 each
7 to 8 feet.....	7.50 each

English Yew (*Taxus Baccata*). One of the oldest evergreen types. Beautiful, rich, dark-green foliage and an interesting habit of growth. Because of its historical and landscape value it deserves to be used more.

15 to 18 inches.....	\$1.50 each
18 to 24 inches.....	2.50 each

4 to 5 feet.....	.75 each
Heavy specimens	1.00 each

Weigela Eva Ratke (Scarlet Weigela). A smaller less vigorous shrub than the other varieties. Red flowers appear all summer.

18 to 24 inches.....	\$.50 each
2 to 3 feet.....	.60 each
3 to 4 feet.....	.75 each

SHADE AND FLOWERING TREES

Trees for shade, ornamental foliage, and flowers are becoming a more important part of every landscape. The comfort and beauty they give many times repays their small cost. Our large stock of many varieties make it possible for you to select just the right tree for every location. Drive out and see them.

ACER: MAPLES

Japanese Maple (*Acer Polymorphum*). A handsome small tree. Green foliage in summer, turning to bronzy-red in autumn.

3 to 4 feet.....	\$1.50 each
4 to 5 feet.....	2.50 each

Japanese Red-Leaved Maple (*Acer Palmatum Atropurpureum*). The popular dwarf tree with blood-red leaves. Makes a beautiful lawn specimen. All our trees are grafted from selected stock.

2 to 3 feet.....	\$3.50 each
3 to 4 feet.....	5.00 each

Norway Maple (*Acer Platanoides*). A dark-green, fast-growing maple of rounded form.

8 to 10 feet.....	\$2.00 each
10 to 12 feet.....	3.00 each

Heavier caliber and larger sizes priced on request.

Sugar Maple (*Acer Saccharum*). One of the finest shade trees. Its straight, sturdy habit, and beautiful coloring make it an outstanding tree in any landscape.

8 to 10 feet.....	\$2.00 each
10 to 12 feet.....	3.00 each

Heavier caliber and larger sizes priced on request.

CORNUS: DOGWOOD

White Flowering Dogwood (*Cornus Florida*). The native dogwood is one of the most popular of all flowering trees. Ours are extra nice, heavy-bodied and transplanted several times.

3 to 4 feet.....	\$1.00 each
4 to 5 feet.....	1.50 each
5 to 6 feet.....	2.00 each
6 to 7 feet.....	3.50 each
7 to 8 feet.....	5.00 each

Specimen plants priced on request.

Pink Flowering Dogwood (*Cornus Florida Rubra*). Similar to the white except for its pink bloom. All plants offered are heavy specimens.

2 to 3 feet.....	\$2.00 each
3 to 4 feet.....	3.50 each
4 to 5 feet.....	5.00 each
5 to 6 feet.....	7.50 each
6 to 7 feet.....	10.00 each

ELMS: ULMUS

American Elm. One of the most graceful native trees. Nice for home ground or street planting.

10 to 12 feet.....\$3.00 each
 Larger specimens priced on request.

Chinese Elm. The fastest growing fine shade tree. Leaves smaller than the American Elm, but habit of growth just as graceful.

6 to 8 feet.....\$1.50 each
 8 to 10 feet..... 2.50 each

FLOWERING CRABS: MALUS

Probably the most beautiful and useful group of flowering trees. The flowers are followed by small, colorful fruit that is very ornamental. We offer the beautiful oriental varieties that are not subject to orange rust.

Prices of Flowering Crabs except where noted:

3 to 4 feet.....\$1.00 each
 4 to 5 feet..... 1.25 each
 5 to 6 feet..... 1.50 each
 6 to 7 feet..... 2.00 each

Specimens priced on request.

Japanese Crab (Malus Floribunda). Fast growing, upright tree. Single, rose-pink flowers followed by yellow fruit.

Japanese Purple Crab (Malus Fl. Purpurea). A purple-leaved, purple-fruited form.

Eley Flowering Crab (Malus Purpurea Eleyi). Freer bloomer than floribunda. Flowers larger and deeper in color. One of the best large varieties.

Hopa Red-Flowering Crab. Red fruit, rose colored blossoms.

Chinese Crab (Malus Spectabilis). Large, double, pink flowers, followed by edible fruit.

Chinese Tea Crab (Malus Theifera). One of the most picturesque flowering trees. Rose-red buds open pale pink and are followed by clusters of beautiful small fruit. Flowers are borne all over the stems.

Midget Crab (Malus Micromalus). Handsome small tree that blooms in April. Showy pink flowers and interesting habit of growth make this an outstanding tree.

Sargent Crab (Malus Sargentii). A beautiful, spreading, dwarf type. Flowers white with yellow center. Scarlet fruit.

3 to 4 feet.....\$1.25 each
 4 to 5 feet..... 1.50 each

MAGNOLIA

Lily Flowering Magnolia (*M. Soulangeana Nigra*). The Chinese Magnolia with its wealth of large, purplish-pink, tulip shaped flowers makes a striking looking tree. All trees are extra heavy specimens.

4 to 5 feet.....\$5.00 each
5 to 6 feet..... 7.50 each

Magnolia Grandiflora. The southern magnolia. Large dark-green leaves, large fragrant flowers.

6 to 8 feet.....\$10.00 each
Other sizes priced on request.

Mimosa. Quick growing, spreading tree. Pink flower in mid-summer.

5 to 6 feet.....\$1.00 each
6 to 8 feet..... 1.50 each
Larger and heavier trees are also available.

OAK: QUERCUS

Pin Oak (*Quercus Palustris*). Fast-growing pyramidal shaped tree. Its deep-green foliage turns brilliant scarlet in autumn.

8 to 10 feet.....\$2.50 each
10 to 12 feet..... 4.00 each

Also available are specimen trees dug with ball of earth.

Flowering Peach. A small tree, covered in May with beautiful double flowers. May be had in either red or white.

5 to 6 feet.....\$1.00 each
6 to 7 feet..... 1.50 each

Purple-Leaved Plum (*Prunus Pissardi*). Upright growing tree with rich purple foliage. Holds its attractive color well into the fall.

5 to 6 feet.....\$1.00 each
6 to 7 feet..... 1.50 each

Japanese Flowering Cherry. One of the best and earliest flowering trees. Large, double, rose-pink flowers cover the tree. All specimen trees.

4 to 5 feet.....\$2.50 each
5 to 6 feet..... 3.50 each
6 to 7 feet..... 5.00 each

Japanese Weeping Cherry. A wonderful specimen tree for the lawn. Its sweeping pendulous branches are literally studded with pink blossoms in the early spring.

5 to 6 feet.....\$4.00 each

Lombardy Poplar. An accent tree, tall, narrow and a fast grower. Valuable for contrast with other planting.

6 to 8 feet.....\$.75 each
8 to 10 feet..... 1.00 each

Linden (*Tillia*). One of the better shade trees. Attractive flowers in July.

Specimen trees.....\$7.50 each

Red Bud (*Cercis Canadensis*). A fast-growing native tree. Large heart-shaped leaves, branches covered with purplish-red, pea-shaped flowers in early spring. Trees offered are extra nice.

5 to 6 feet.....\$1.25 each
6 to 7 feet..... 2.00 each

Chinese Red Bud (*Cercis Canadensis*). Similar to American red bud, but of slower growth and more compact habit. Flowers larger and more numerous.

3 to 4 feet, extra heavy.....\$1.00 each

Weeping Willow (*Salix Babylonica*). The weeping willow is our most graceful tree and is very popular as a lawn specimen.

5 to 6 feet.....\$1.00 each
6 to 7 feet..... 1.50 each
Heavier trees..... 2.00 each

We also have Golden Bark Weeping Willow at same prices as above.

HEDGE PLANTS

CHINESE PRIVET (*Ligustrium Chinensis*). The best evergreen privet. Has small dark-green leaves, and while fast-growing remains quite compact.

18 to 24 inches.....\$5.00 per 100
2 to 3 feet.....\$7.00 per 100 up,
depending on age.

Average charge \$2.00 per 100 if planted by us.

Many evergreens and flowering shrubs make excellent hedges and screens. Ask for information about the following varieties:

Hemlock — Arborvitae — Juniper

Eleagnus — Lucidum — Berberis Julianae

Dogwood — Japan Maple — Flowering Crab

Spirea — Barberry Thumbergii — Honeysuckle

VINES AND GROUND COVER PLANTS

The use of vines in the home landscape should be considered by every home owner. Their uses are many and attractive and unusual effects may be had at little cost. May we tell you about them?

BITTERSWEET (*Celastrus Scandens*). A quick-growing vine, valuable for its orange and crimson fruit which is widely used for indoor decoration.
50c each

CLEMATIS. We offer the wonderful large-flowered types. They are interesting and beautiful and should be used more for effective landscape scenes. Colors range from pure white, through shades of pink, rose, red, and into deep plum-purple.
Prices from \$1.00 to \$1.50

ENGLISH IVY (*Hedera Helix*). An evergreen vine popular for covering chimneys and walls. Also useful as a ground cover plant. We offer both large and small-leaved types.

Heavy pot-grown plants, 25c each, \$2.50 per 12
2½ in pot plans for quantity use, \$10.00 per 100

CAENWOOD IVY (*Helix Caenwoodiana*). One of the most interesting of the ivies. Small beautiful shaped leaves and graceful habit of growth make this variety useful where other ivies are too heavy. Supply limited.
50c each

JASMINE STEPHAENSE. Fast-growing climber with nice foliage, and fragrant pink flowers.

Pot-grown plants50c each
Extra heavy plants75c each

GOLD-FLAME HONEYSUCKLE. An evergreen, monthly blooming, vine or bush. The beautiful red and gold flowers are nice for cutting.
75c and \$1.00 each

SILVER LACE VINE (*Polygonum Auberti*). One of the fastest growing vines. Blooms in great foamy sprays of creamy white flowers in late summer and fall.
50c each

VINCA MINOR (*Periwinkle*). The best ground cover plant. Neat, dark-green leaves, blue flowers. Very useful for difficult spots where grass is not successful. Nursery plants only. Prices on request.

WISTERIA. The most popular of the flowering vines. We offer only fine grafted varieties that are sure to bloom.

Wisteria Sinensis. Long pendulous clusters of purple flowers.

Extra heavy vines.....\$1.00 each

Wisteria Sinensis Alba. White type of above variety.

Extra heavy vines.....\$1.00 each

ROSES

The following varieties are selected not only for their beauty, but because they are adapted to local conditions. They are choice roses and we feel sure that you will like them.

All two years old, No. 1 plants

Price, 60c each except where otherwise marked.

- AMI QUINARD.** Deep velvety-crimson, semi-double, fragrant flowers.
- BETTY UPRICHARD.** Salmon-pink with the reverse of the petals carmine and copper. Very fragrant.
- CHARLES K. DOUGLAS.** Flaming scarlet with velvet-crimson flush. Long pointed bud.
- EDITH NELLIE PERKINS.** A beautiful two-toned, fragrant rose. Shaded coppery-rose and salmon.
- EDITOR McFARLAND.** One of our best roses. Free blooming, healthy, and a strong grower. Glowing pink in color.
- ELIZABETH OF YORK.** Lovely semi-double flowers, soft pink in color and borne on good, long stems.
- ETOILE DE HOLLANDE.** Velvet-crimson. Still one of the best red roses.
- GRENOBLE.** Crimson buds opening to large, full-petaled flowers.
- GOLDEN DAWN.** Sunflower-yellow.
- E. G. HILL.** Fragrant, scarlet-red flowers.
- KAISERIN AUGUSTE VUKTORIA.** The standard white rose.
- LUXEMBOURG.** Beautiful deep-yellow with a tint of orange.
- MARGARET McGREDY.** Large orange-scarlet flowers that hold their color well.
- MRS. CHARLES BELL.** The salmon radiance. Shell-pink buds open to globe shaped, salmon tinted flowers.
- MRS. E. P. THOM.** Deep yellow, long pointed buds.
- MRS. HENRY BOWLES.** A strong healthy rose. Beautiful clear pink flowers. One of the Radiance strain.
- MRS. JENNIE DEVERMAN.** The aristocrat of roses. Long, narrow buds of glowing coral pink. Its long stems and good foliage make this one of the best cutting roses. \$1.00 each
- MRS. P. S. DUPONT.** Canary-yellow, long buds.
- RADIANCE.** Light silvery-pink, globe shaped flowers.
- RED RADIANCE.** Large rose-red flowers. One of the best roses for this section.
- SUNBURST.** Dainty saffron-yellow buds. Perfect for cutting.
- TALISMAN.** The most popular multi-colored rose. Orange and yellow, very fragrant.

Polyantha and Floribunda Roses

The perfect bedding rose—Hardy, free flowering
Just the thing for rose beds or shrub borders

CAMEO. Shell-pink, salmon and gold.

CECIL BRUNNER. The true Sweetheart or Mignon rose. The delicate rosy-pink flowers are beautiful in shape and appear all through the summer. The ideal boutonniere rose.

ELSE POULSEN. Flowers bright pink, semi-double and slightly fragrant. One of the best floribundas.

GRUSS AN AAACHEN. Orange-pink, paling to soft salmon.

Climbing Roses

For arbors and fences, or to screen views or buildings

CLIMBING CECIL BRUNNER. The climbing Sweetheart rose. 75c each.

CLIMBING COLUMBIA. A true pink climbing monthly. 75c each.

CHEROKEE (red) RAMONA. This famous old rose thrives to perfection in the South. Color bright carmine crimson. Supply limited. 75c each.

CHEROKEE (white). Fragrant, pure white flowers. 75c each.

MERMAID. Single, creamy yellow flowers about four inches across. The stock we offer is hardy in Virginia because it is own root grown. 75c each.

PAUL'S SCARLET CLIMBER. Flaming crimson-scarlet flowers, lots of bloom and good foliage.

CLIMBING TALISMAN. Our most popular climbing rose. Flowers just like the bush type. Blooms monthly.

Extra nice plants.....75c each

Irish Single Roses

Single hybrid tea roses that are unequaled for indoor decoration. Their grace, free-flowering habit and delicate pastel colors make them indispensable. For best results cut while in bud and allow to open in the house.

DAINTY BESS. Soft rose-pink with purple anthers. 75c each

IRISH CHARM. Lovely as its name. Soft, beautifully blended shades of pastel. 75c each.

IRISH ELEGANCE. Orange-scarlet, touched with apricot. 75c each.

INNOCENCE. The best white single. \$1.00 each.

IRISH FIREFLAME. Flowers fragrant, orange-75c each.

ISOBEL. Long pointed buds, large fragrant flowers; rose-pink, shaded apricot. 75c each.

Other Roses

CRESTED MOSS (Chapeau de Napoleon). Nice buds and large bright pink flowers. Buds are hooded, blooms have feathery petals. 75c each.

LADY HILLINGDON. A tea rose. Beautiful cutting flowers of clear golden yellow. An old-fashioned everblooming type.

ROSA HUGONIS (The Golden Rose of China). Listed under flowering shrubs.
